For the avoidance of doubt, for the purposes of calculating the "commitments" of a Lead Arranger under the Mandate Documents (where such calculation does not already take into account the commitments of the Underwriters), such "commitments" shall be the total of such Lead Arranger's commitments and the commitments of any of its affiliates that is an Underwriter as set out in Schedule 1 to this letter;

2.5 Each reference to the "Bookrunners" in each Mandate Document shall be amended so that each New Mandate Party which is a Lead Arranger (as set out next to such New Mandate Party's name on its signature page) shall also constitute a "Bookrunner" for the purposes of the Mandate Documents;

2.6 Midco agrees to assume all of the obligations set out in the Commitment Letter and each other Mandate Document to which a Lead Arranger, an Underwriter and an Interim Lender is a party towards the New Mandate Parties as if they had originally been party to such Mandate Documents as Lead Arrangers, Underwriters and Interim Lenders (as applicable), including, for the avoidance of doubt, the requirement to pay any fees to each of the Lead Arrangers and Underwriters pursuant to the terms of the Fee Letters (and for the avoidance of doubt, any Underwriting Fee shall be payable in respect of amounts underwritten by such Lead Arranger and/or any of its affiliates which is an Underwriter (as applicable, and without any double counting) as set out in Schedule 1 to this letter);
