

**YOU ARE RECEIVING THIS LETTER AS YOU WERE GRANTED A
LONG TERM INCENTIVE PLAN (LTIP) AWARD BEFORE 2026**

**THIS LETTER (INCLUDING ITS APPENDICES) IS IMPORTANT AND REQUIRES YOUR
IMMEDIATE ATTENTION. PLEASE READ IT CAREFULLY.**

This letter should be read in conjunction with the **Scheme Document** circulated to Mitie Shareholders dated 13 August 2026, containing details of the Scheme, amongst other things.

This letter relates to a transaction which, if implemented, will result in the cancellation of the listing of Mitie shares on the equity shares (commercial companies) category of the Official List and the trading of Mitie shares on the London Stock Exchange's Main Market for listed securities.

If you are in any doubt as to the contents of this letter or the decision or action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant or independent financial adviser who, if you are taking advice in the United Kingdom, is authorised under the Financial Services and Markets Act 2000 (as amended from time to time) or, if you are taking advice outside the United Kingdom, from another appropriately authorised independent financial adviser.

13 August 2026

Dear Participant

**The Mitie Long Term Incentive Plan 2015 and the recommended acquisition of Mitie Group plc
by OCS Group International Limited**

1 Introduction

On 21 July 2026, the boards of Mitie Group plc ("**Mitie**") and OCS Group International Limited ("**OCS**") announced the terms of a recommended acquisition by OCS of the entire issued, and to be issued, ordinary share capital of Mitie (the "**Acquisition**").

The Acquisition would bring together two highly complementary businesses, creating a British facilities management group with increased capacity to invest in our people, technology and services, and providing access to broader opportunities for colleagues. In recommending the offer, the Mitie Directors have taken into account OCS's commitment to safeguard existing contractual and statutory employment rights and the intention that Mitie colleagues should play an important role in the combined business. Together, we can build something remarkable for our colleagues, our customers, and our country.

If the Acquisition completes, it will result in Mitie and its subsidiaries becoming wholly-owned subsidiaries of OCS.

This letter and its appendices should be read together with the Scheme Document, available at [Recommended cash offer by OCS for Mitie | Mitie](#) and [Recommended Offer - OCS](#). A copy of this letter is also available on the same websites.

Defined terms used in this letter are set out in Appendix D, or otherwise have the meanings given in the Scheme Document.

2 Why are we writing to you?

This letter explains the effect of the Acquisition on your nil cost options granted under the Mitie Long Term Incentive Plan 2015 (the “**LTIP**”) (“**LTIP Awards**”) and the decisions you need to make in relation to them:

- (i) LTIP Awards granted between 2021 and 2025, which already are vested (“**Vested LTIP Awards**”); or
- (ii) LTIP Awards granted between 2021 and 2025 which are not yet vested (“**Unvested LTIP Awards**”).

If you hold Vested LTIP Awards, please read Appendix A to this letter.

If you hold Unvested LTIP Awards, please read Appendix B to this letter.

If you hold both Vested LTIP Awards and Unvested LTIP Awards, then you must read both Appendix A and Appendix B.

If you hold LTIP Awards granted in 2026, you will receive a separate letter for these LTIP Awards setting out the effect of the Acquisition on those LTIP Awards. Please read that letter carefully.

You will receive separate letters in respect of any other awards you hold or share plans in which you participate.

3 What do I need to do now?

Please read everything in this letter and the appendices carefully; the contents are very important.

IF YOU HOLD VESTED LTIP AWARDS, YOU MAY WANT TO TAKE ACTION NOW

If you hold Vested LTIP Awards, you should consider the choices set out in Appendix A and take action within the applicable exercise period.

IF YOU HOLD UNVESTED LTIP AWARDS, THERE IS NO ACTION REQUIRED FROM YOU TODAY

We will write to you again in due course with further information on how to take action and the relevant deadlines.

4 How does the Acquisition work?

The Acquisition will be implemented by way of a Scottish scheme of arrangement (the “**Scheme**”), requiring the approval of Mitie Shareholders and sanction by the Court at the Scheme Court Hearing.

This is a UK legal procedure under which Mitie Shares are automatically transferred to OCS in exchange for the consideration as set out in section 5 below.

The Acquisition is expected to complete within a couple of days after the Scheme Court Hearing (the date on which the Acquisition completes is known as the “**Effective Date**”). If the Acquisition completes, it will result in Mitie and its subsidiaries becoming wholly-owned subsidiaries of OCS.

5 What are the terms of the Acquisition?

In summary, under the Scheme, Mitie Shareholders will be entitled to receive for each Mitie Share held up to 221.6 pence in cash, comprised of:

- (i) cash consideration of 218.5 pence from OCS in consideration for the sale of their Mitie Shares (the “**Acquisition Price**”); and
- (ii) a final dividend in relation to the financial year ended 31 March 2026 of 3.1 pence per Mitie Share (the “**FY26 Final Dividend**”).

OCS has also agreed that, if the Effective Date does not occur on or before 19 November 2026, the Mitie Directors may resolve to pay an interim dividend in respect of the financial period commenced 1 April 2026 and ended on 30 September 2026 of up to 1.3 pence per Mitie Share (the “**FY27 Interim Dividend**”).

The FY26 Final Dividend and the FY27 Interim Dividend will only be payable to Mitie Shareholders on the register at the relevant record time and will not reduce the Acquisition Price. The FY26 Final Dividend is expected to be paid on 27 August 2026. The FY27 Interim Dividend will be payable to Mitie Shareholders on the register at the earlier of: (i) a record time set in accordance with Mitie’s dividend timetable (expected to be 27 November 2026); and (ii) the Scheme Record Time.

The full terms of, and conditions to, the Acquisition are set out in full in the Scheme Document.

6 When is the Acquisition likely to complete?

The Acquisition is subject to the Conditions (in particular, the Material Regulatory Conditions) and is currently expected to complete during the first quarter of 2027. The expected timetable is available in the front section of the Scheme Document. Further details regarding the Conditions (including the Material Regulatory Conditions) are set out in the Scheme Document.

7 What if I have any questions?

Please refer to the FAQs at Appendix C which address common questions about the impact of the Acquisition on your LTIP Awards. If you have any further questions, please contact MUFG at [REDACTED].

8 Important notes

Nothing in this letter constitutes financial advice to any holder of shares, share awards or share options in Mitie. Neither Mitie nor OCS can give you legal, tax, investment or financial advice on the merits of the Acquisition, its effect on your LTIP Awards, or your choices.

A hard copy of this letter is available on request from the Company Secretary at [REDACTED], stating your name and the address to which the hard copy

should be sent. You can also ask that any other documents, announcements and information to be sent to you in relation to the Acquisition should be sent to you in hard copy form.

In the event of any conflict between this letter, the LTIP Rules, or applicable legislation, then the LTIP Rules and the legislation (as applicable) will prevail.

Appendix A – Vested LTIP Awards

1 How does the Acquisition affect my Vested LTIP Awards?

Your Vested LTIP Awards can be exercised now, subject to any required dealing clearance.

They will remain exercisable until one month after the date of the Scheme Court Order, unless they lapse earlier under the LTIP Rules.

If the Court sanctions the Scheme, that may shorten the window in which you can exercise. In that case, your Vested LTIP Awards will remain exercisable for one month from the date of the Scheme Court Order.

If you do not exercise your Vested LTIP Awards (and they have not already lapsed under their terms) they will lapse one month after the date of the Scheme Court Order and you will receive no value for them.

2 What are my choices for my Vested LTIP Awards and how do I make them?

- **Choice A: Exercise your Vested LTIP Awards and sell your Mitie Shares on the market before the Court sanctions the Scheme**

You can exercise your Vested LTIP Awards now and sell the resulting Mitie Shares before the Scheme Court Order is granted. On exercise any dividend equivalents accrued up to the vesting date would be payable, and income tax and employee national insurance would arise, as normal.

The Mitie Shares are sold at the market price at the time of sale, and the cash (less any fees) is paid to you as soon as practicable afterwards. The amount you receive this way may be less than the Acquisition Price you would have received under the Scheme.

Whether or not you would be eligible to receive the FY27 Interim Dividend, if declared, will depend on whether or not you hold the Mitie Shares on the record date for that dividend in the normal way. You would not receive this if you sell the Mitie Shares before the record date.

To choose Choice A, go to www.mitie-shares.com and submit your online exercise instruction, by selecting “Place your Discretionary plan exercise instruction” on the Home page. Upon identifying the appropriate plan, select “Exercise shares from this plan” and proceed to select from any grants you have available, followed by “Continue”. Select “Sell all shares” and proceed to complete the remaining fields to submit your instruction.

- **Choice B: Exercise your Vested LTIP Awards in the ordinary course prior to the Court sanctioning the Scheme, keep your Mitie Shares and then sell your Mitie Shares as part of the Scheme**

You can exercise your Vested LTIP Awards before the Scheme Court Hearing and keep some or all of the Mitie Shares you receive. On exercise any dividend equivalents accrued up to the vesting date would be payable, and income tax and employee national insurance would arise, as normal.

If you do, you will be a Mitie Shareholder, so any Mitie Shares you still hold at the Scheme Record Time will (if the Acquisition completes) be automatically bought by OCS under the Acquisition, and you will receive the Acquisition Price of 218.5 pence for each Mitie Share at the same time as other shareholders.

If you exercise your Vested LTIP Awards before the record date for the FY27 Interim Dividend, if declared, then you will also receive that dividend.

To choose Choice B, go to www.mitie-shares.com and submit your online exercise instruction, by selecting “Place your Discretionary plan exercise instruction” on the Home page. Upon identifying the appropriate plan, select “Exercise shares from this plan” and proceed to select from any grants you have available, followed by “Continue”. Select “Sell sufficient shares to cover costs and keep the remainder” or “Self fund the costs of exercise” and proceed to complete the remaining fields to submit your instruction.

- **Choice C: Exercise your Vested LTIP Awards conditional on the Court sanctioning the Scheme**

You will be able to make an advance election to exercise your Vested LTIP Awards only if the Court sanctions the Scheme at the Scheme Court Hearing. On exercise any dividend equivalents accrued up to the vesting date would be payable, and income tax and employee national insurance would arise, as normal.

If you make this election and the Court sanctions the Scheme, you will be a Mitie Shareholder, so any Mitie Shares you hold at the Scheme Record Time will (if the Acquisition completes) be automatically bought by OCS under the Acquisition, and you will receive the Acquisition Price of 218.5 pence per Mitie Share through payroll, after deductions for income tax, employee national insurance contributions and any other applicable levies as soon as is reasonably practicable.

Whether you receive the FY27 Interim Dividend (if declared) will depend on the timing of the Scheme. If you exercise conditional on the Court sanctioning the Scheme, you will become a Mitie Shareholder before the Scheme Record Time, so if the Scheme Record Time is the earlier FY27 Interim Dividend record time (i.e. it falls on or before Mitie’s normal dividend timetable), you would receive the FY27 Interim Dividend (if declared) in respect of the Mitie Shares you acquire on exercise. If, however, the FY27 Interim Dividend record time falls before the Scheme Record Time, you will not receive the FY27 Interim Dividend as you would not be a Mitie Shareholder at that record time.

The window for making your election is expected to open once Mitie Shareholders approve the Scheme and will be open for several months. In any event, you will have at least three weeks before the Scheme Court Hearing to make your choice. MUFG will write to you with the process to follow and the deadline for making your election. You will then be able to do this by accessing the portal and completing the online exercise instruction.

- **Choice D: Exercise your Vested LTIP Awards at a date of your choosing during the one-month period following the Scheme Court Order being granted**

If you exercise your Vested LTIP Awards after the Scheme Court Hearing but within one month of the date of the Scheme Court Order, the Mitie Shares you receive will be automatically transferred to OCS. On exercise any dividend equivalents accrued up to the vesting date would be payable, and income tax and employee national insurance would arise, as normal.

You will receive the Acquisition Price of 218.5 pence for each Mitie Share you receive on exercise.

To choose **Choice D** you will be able to do so after the Effective Date by logging into www.mitie-shares.com and submitting your online exercise instruction, by selecting “Place your

Discretionary plan exercise instruction” on the Home page. Upon identifying the appropriate plan, select **“Exercise shares from this plan”** and proceed to select from any grants you have available, followed by **“Continue”**. Select **“Sell all shares”** and proceed to complete the remaining fields to submit your instruction.

Whichever option you choose, remember: to exercise your Vested LTIP Awards, you need to log into www.mitie-shares.com and submit an online exercise instruction before your Vested LTIP Awards lapse.

3 What if I do nothing?

If you do nothing, your Vested LTIP Awards will lapse one month after the date of the Scheme Court Order (or earlier under the LTIP Rules), and you will receive no value for them.

4 Recommendation

The Mitie Directors recommend that you exercise your Vested LTIP Awards by selecting **Choice B** in order to become a Mitie Shareholder ahead of the record date for the FY27 Interim Dividend (if declared) (so that you receive the FY27 Interim Dividend in respect of the Mitie Shares you acquire on exercise), and ahead of the Acquisition.

If you choose to exercise your Vested LTIP Awards prior to the Court sanctioning the Scheme (or before they lapse if earlier), you will become a Mitie Shareholder. If you are a Mitie Shareholder on the record date for the FY27 Interim Dividend (if declared), you will receive the FY27 Interim Dividend in respect of the Mitie Shares you hold at that time. If you keep the resulting Mitie Shares until the Scheme Record Time, your Mitie Shares will be automatically acquired by OCS for 218.5 pence in cash for each Mitie Share under the Scheme.

You can exercise your Vested LTIP Awards now (or at any time before the Court sanctions the Scheme) by logging in to www.mitie-shares.com and submitting an online exercise request.

You should, however, consider your own personal circumstances, including your tax position, when deciding if and when to exercise your Vested LTIP Awards.

The Mitie Directors, who have been so advised by Ardea Partners as to the financial terms of the proposals, consider the terms of the proposals described above to be fair and reasonable in the context of the Acquisition. In providing their advice to the Mitie Directors, Ardea Partners have taken into account the commercial assessments of the Mitie Directors. Ardea Partners are providing independent financial advice to the Mitie Directors for the purposes of Rule 15.2 of the Code.

Appendix B – Unvested LTIP Awards

1 How does the Acquisition affect my Unvested LTIP Awards?

If the Acquisition completes, your Unvested LTIP Awards will not be treated in the usual way.

Your Unvested LTIP Awards cannot be exercised at the moment. Normally, you would wait until the end of your vesting period (and holding period where applicable) and then decide whether to exercise them and receive Mitie Shares.

If the Court sanctions the Scheme before the end of your vesting period, your Unvested LTIP Awards (that is, any LTIP Awards that are not already exercisable) will become exercisable on the date of the Scheme Court Hearing. Once exercisable, they can be exercised for a period of one month starting on the date of the Scheme Court Order (unless they lapse earlier under the LTIP Rules).

If you do not exercise your Unvested LTIP Awards (and they have not already lapsed on their terms) they will lapse one month after the date of the Scheme Court Order and you will receive no value for them.

2 Will I receive the full value of my Unvested LTIP Awards?

That is currently expected, but it is subject to formal approval by the Remuneration Committee.

Unless they lapse earlier under their terms, your Unvested LTIP Awards will vest when the Scheme Court Order is granted, subject to the time pro-rating and performance condition assessment described below:

- if the Scheme Court Order is granted on or **after** the First Normal Vesting Date for an Unvested LTIP Award, any remaining Mitie Shares which have not yet vested will vest in full on the date the Scheme Court Order is granted (as a reminder, the First Normal Vesting Date is the third anniversary of the date the LTIP Award was granted); and
- if the Scheme Court Order is granted **before** the First Normal Vesting Date for an Unvested LTIP Award, that award will vest and become exercisable on the date the Scheme Court Order is granted. To work out how much vests:
 - the Remuneration Committee will assess the performance conditions for the award on or shortly before the Scheme Court Order, and performance is currently expected to be at maximum, giving a vesting outcome of 100%; and
 - the Remuneration Committee has decided that no reduction will be applied for time pro-rating.

3 What are my choices for my Unvested LTIP Awards and how do I make them?

- **Choice A: Elect to exercise if and when the Court sanctions the Scheme**

You can choose in advance to exercise your Unvested LTIP Awards, with that exercise only taking effect if and when the Court sanctions the Scheme at the Scheme Court Hearing.

If you exercise conditional on the Court sanctioning the Scheme, you will become a Mitie Shareholder, and so any Mitie Shares you hold

at the Scheme Record Time will (assuming the Acquisition completes) be automatically bought by OCS under the Acquisition, and you will receive the Acquisition Price of 218.5 pence per Mitie Share through payroll, after deductions for income tax, employee national insurance contributions and any other applicable levies as soon as is reasonably practicable.

On exercise any dividend equivalents accrued up to the vesting date would be payable as normal. This would include the value of the FY26 Final Dividend and (if it is declared) the FY27 Interim Dividend, save that, if the Scheme Record Time is the earlier record time for the FY27 Interim Dividend, you would receive the FY27 Interim Dividend as a Mitie Shareholder (rather than as a dividend equivalent) in respect of the Mitie Shares you acquire on exercise.

If you want to choose Choice A you do not need to do anything now. MUFG will send you further information in due course, including the process to follow and the deadline for making your election.

The window for making your election is expected to open once Mitie Shareholders approve the Scheme and will be open for several months. In any event, you will have at least three weeks before the Scheme Court Hearing to make your choice. We'll notify you when this option is available. You will be able to make your election at any time up to the Scheme Court Hearing.

- **Choice B: Exercise your Unvested LTIP Awards at a date of your choosing during the one-month period following the Scheme Court Order being granted**

You can choose to exercise your Unvested LTIP Awards at any time during the one-month period starting on the date of the Scheme Court Order, unless they lapse earlier under the LTIP Rules.

The Mitie Shares you receive on exercise will be automatically transferred to OCS. You will receive the Acquisition Price of 218.5 pence for each Mitie Share you receive on exercise, subject to deductions for income tax, employee national insurance contributions and any other applicable levies.

On exercise any dividend equivalents accrued up to the vesting date would be payable as normal. This would include the value of the FY26 Final Dividend and (if it is declared) the FY27 Interim Dividend, save that, if the Scheme Record Time is the earlier record time for the FY27 Interim Dividend, you will not receive dividend equivalents in respect of the FY27 Interim Dividend.

To choose **Choice B** you will be able to do so after the Effective Date by logging into www.mitie-shares.com and submitting your online exercise instruction, by selecting **"Place your Discretionary plan exercise instruction"** on the Home page. Upon identifying the appropriate plan, select **"Exercise shares from this plan"** and proceed to select from any grants you have available, followed by **"Continue"**. Select **"Sell all shares"** and proceed to complete the remaining fields to submit your instruction.

4 What if I do nothing?

If you do not choose one of the Choices above by the deadlines communicated to you and using the process explained to you, your Unvested LTIP Awards will lapse one month after the date of the Scheme Court Order (or earlier if they lapse under the LTIP Rules), and you will receive no value for them.

5 Recommendation

The Mitie Directors recommend that you exercise your Unvested LTIP Awards before they lapse, by selecting Choice A or Choice B. You should, however, consider your own personal circumstances, including your tax position, when deciding if and when to exercise your Unvested LTIP Awards when or after they have become exercisable.

The Mitie Directors, who have been so advised by Ardea Partners as to the financial terms of the proposals, consider the terms of the proposals described above to be fair and reasonable in the context of the Acquisition. In providing their advice to the Mitie Directors, Ardea Partners have taken into account the commercial assessments of the Mitie Directors. Ardea Partners are providing independent financial advice to the Mitie Directors for the purposes of Rule 15.2 of the Code.

Appendix C – Frequently Asked Questions

- **What if the Acquisition is not sanctioned by the Court?**

This letter assumes that the Court will sanction the Scheme at the Scheme Court Hearing. If that does not happen (for any reason):

- (i) any Vested LTIP Awards you have not yet exercised will continue as normal under the rules of the relevant plan (including as to when they lapse); and
- (ii) any Unvested LTIP Awards will continue as normal under the rules of the relevant plan (including as to when they lapse) and will not vest early because of the Acquisition.

- **What happens if some of my Unvested LTIP Awards vest before the Scheme Court Hearing?**

If, at the date of this letter you are holding Unvested LTIP Awards, then you should refer to Appendix B of this letter. If, however, these Unvested LTIP Awards eventually vest in the ordinary course, then from such date, you should refer to Appendix A in respect of these now Vested Awards.

If you make an election in respect of an Unvested LTIP Award that subsequently vests before the Scheme Court Hearing, your election will remain in force unless you override it by making a different election.

- **What happens if I leave employment with the Mitie Group?**

Unvested LTIP Awards

The normal leaver provisions in the LTIP Rules will apply to your Unvested LTIP Awards. What happens depends on why you leave and when you leave relative to the vesting dates that apply to your award.

If you leave before the First Normal Vesting Date of your Unvested LTIP Award and before the date the Court sanctions the Scheme, for any reason other than a "good leaver" reason (see below), your Unvested LTIP Awards will lapse immediately on the date your employment with the Mitie Group ends. If they lapse, any Choice A or Choice B instruction you made in relation to your Unvested LTIP Awards before then will have no effect.

If you leave before the First Normal Vesting Date and before the date the Court sanctions the Scheme for a "good leaver" reason, you may be able to keep some or all of your Unvested LTIP Awards. Good leaver reasons include death, retirement with the Remuneration Committee's agreement, injury or disability (evidenced to the Remuneration Committee's satisfaction), your employing company or business being transferred outside the Mitie Group, or any other reason at the Remuneration Committee's discretion. Where you keep your Unvested LTIP Awards in the context of the Acquisition, they will vest on the date the Court sanctions the Scheme at the Scheme Court Hearing, or on any earlier date the Remuneration Committee decides.

The number of shares that vest will be determined by reference to the applicable performance conditions and, unless the Remuneration Committee determines otherwise, by applying a time pro-rata reduction based on the proportion of the performance period that had passed between its start and the date you left, compared to the full performance period.

Vested LTIP Awards

If you leave employment once your LTIP Awards are already vested, there will be no impact on your LTIP Awards.

- **What if I am a PDMR or otherwise subject to the Mitie Share Dealing Code?**

If you are a Person Discharging Managerial Responsibilities (a “**PDMR**”) or otherwise named on a MAR regulatory project insider list and/or a non-regulatory project list, or if Mitie’s Rules on Share Dealing apply to you, you must obtain permission before applying to exercise your LTIP Awards. Requests for permission should be made via **Insider Hub**, and further detail will be provided to you in due course. Anyone to whom the above applies (whether a PDMR or otherwise on the insider list) will not be permitted to apply to exercise their LTIP Awards during a closed period.

- **How will my awards be taxed?**

When you exercise your LTIP Awards and acquire Mitie Shares, those Mitie Shares are to be subject to income tax and employee national insurance contributions (NICs) in the normal way. Those amounts will either be funded by selling enough of your Mitie Shares on your behalf, or deducted and withheld from the Acquisition Price you would otherwise receive.

If all of your Mitie Shares are sold immediately after exercise, there is not normally any increase in value between vesting and sale, so Capital Gains Tax would not usually apply.

Important: this summary is based on our current understanding of the Acquisition and current UK tax rules, both of which may change. Your final tax position will depend on your personal circumstances. As explained on the front page of this letter, neither Mitie nor OCS can give you tax, legal, investment or financial advice - if you are in any doubt, please speak to an appropriately qualified adviser.
