

**YOU ARE RECEIVING THIS LETTER AS YOU HOLD
CONDITIONAL SHARE PLAN (CSP) or RETENTION SHARE PLAN (RSP) AWARD**

**THIS LETTER (INCLUDING ITS APPENDICES) IS IMPORTANT AND REQUIRES
YOUR IMMEDIATE ATTENTION. PLEASE READ IT CAREFULLY**

This letter should be read in conjunction with the **Scheme Document** circulated to Mitie Shareholders dated 13 August 2026, containing details of the Scheme, amongst other things.

This letter relates to a transaction which, if implemented, will result in the cancellation of the listing of Mitie shares on the equity shares (commercial companies) category of the Official List and the trading of Mitie shares on the London Stock Exchange's Main Market for listed securities.

If you are in any doubt as to the contents of this letter or the decision or action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant or independent financial adviser who, if you are taking advice in the United Kingdom, is authorised under the Financial Services and Markets Act 2000 (as amended from time to time) or, if you are taking advice outside the United Kingdom, from another appropriately authorised independent financial adviser.

13 August 2026

Dear Participant

The Mitie Conditional Share Plan and the Mitie Retention Share Plan (operated under the Mitie Conditional Share Plan) and the recommended acquisition of Mitie Group plc by OCS Group International Limited

1 Introduction

On 21 July 2026, the boards of Mitie Group plc ("**Mitie**") and OCS Group International Limited ("**OCS**") announced the terms of a recommended acquisition by OCS of the entire issued, and to be issued, ordinary share capital of Mitie (the "**Acquisition**").

The Acquisition would bring together two highly complementary businesses, creating a British facilities management group with increased capacity to invest in our people, technology and services, and providing access to broader opportunities for colleagues. In recommending the offer, the Mitie Directors have taken into account OCS's commitment to safeguard existing contractual and statutory employment rights and the intention that Mitie colleagues should play an important role in the combined business. Together, we can build something remarkable for our colleagues, our customers, and our country.

If the Acquisition completes, it will result in Mitie and its subsidiaries becoming wholly-owned subsidiaries of OCS.

This letter and its appendices should be read together with the Scheme Document, available at [Recommended cash offer by OCS for Mitie | Mitie](#) and [Recommended Offer - OCS](#). A copy of this letter is also available on the same websites.

Defined terms used in this letter are set out in Appendix D, or otherwise have the meanings given in the Scheme Document.

2 Why are we writing to you?

This letter explains the effect of the Acquisition on your nil-cost options granted under any of the following Mitie share plans, and the decisions you need to make in relation to them.

Please refer to the award summary table in the covering email to see which award(s) are covered by this letter. In this letter:

- the Mitie Conditional Share Plan (the “**CSP**”) – options under this plan are “**CSP Awards**”; and/or
- the Mitie Retention Share Plan operated under the CSP (the “**RSP**”) – options under this plan are “**RSP Awards**”.

Depending on the award(s) identified in the covering email, your options covered by this letter (together, your “**Awards**”) may be vested (“**Vested CSP Awards**” or “**Vested RSP Awards**”) or, in the case of CSP Awards only, not yet vested (“**Unvested CSP Awards**”).

If you hold any Vested CSP Awards or Vested RSP Awards, please read Appendix A.

If you hold any Unvested CSP Awards, please read Appendix B.

This letter does not cover Continuing Awards or CSP Awards granted on 17 July 2026.

To view details of your awards, please visit www.mitie-shares.com.

You will receive separate letters in respect of any other awards you hold or share plans in which you participate.

3 What do I need to do now?

Please read everything in this letter and the appendices carefully; the contents are very important.

IF YOU HOLD VESTED AWARDS, YOU MAY WANT TO TAKE ACTION NOW

If you hold any Vested CSP Awards or Vested RSP Awards, you should consider the choices set out in Appendix A and take action within the applicable exercise period.

IF YOU HOLD UNVESTED CSP AWARDS, THERE IS NO ACTION REQUIRED FROM YOU TODAY

We will write to you again in due course with further information on how to take action and the relevant deadlines.

4 How does the Acquisition work?

The Acquisition will be implemented by way of a Scottish scheme of arrangement (the “**Scheme**”), requiring the approval of Mitie Shareholders and sanction by the Court at the Scheme Court Hearing.

This is a UK legal procedure under which Mitie Shares are automatically transferred to OCS in exchange for the consideration as set out in section 5 below.

The Acquisition is expected to complete within a couple of days after the Scheme Court Hearing (the date on which the Acquisition completes is known as the “**Effective Date**”). If the Acquisition completes, it will result in Mitie and its subsidiaries becoming wholly-owned subsidiaries of OCS.

5 What are the terms of the Acquisition?

In summary, under the Scheme, Mitie Shareholders will be entitled to receive for each Mitie Share held up to 221.6 pence in cash, comprised of:

- (i) cash consideration of 218.5 pence from OCS in consideration for the sale of their Mitie Shares (the “**Acquisition Price**”); and
- (ii) a final dividend in relation to the financial year ended 31 March 2026 of 3.1 pence per Mitie Share (the “**FY26 Final Dividend**”).

OCS has also agreed that, if the Effective Date does not occur on or before 19 November 2026, the Mitie Directors may resolve to pay an interim dividend in respect of the financial period commenced 1 April 2026 and ended on 30 September 2026 of up to 1.3 pence per Mitie Share (the “**FY27 Interim Dividend**”).

The FY26 Final Dividend and the FY27 Interim Dividend will only be payable to Mitie Shareholders on the register at the relevant record time, and will not reduce the Acquisition Price. The FY26 Final Dividend is expected to be paid on 27 August 2026. The FY27 Interim Dividend will be payable to Mitie Shareholders on the register at the earlier of: (i) a record time set in accordance with Mitie’s dividend timetable (expected to be 27 November 2026); and (ii) the Scheme Record Time.

The full terms of, and conditions to, the Acquisition are set out in full in the Scheme Document.

6 When is the Acquisition likely to complete?

The Acquisition is subject to the Conditions (in particular, the Material Regulatory Conditions) and is currently expected to complete during the first quarter of 2027. The expected timetable is available in the front section of the Scheme Document. Further details regarding the Conditions (including the Material Regulatory Conditions) are set out in the Scheme Document.

7 What if I have any questions?

Please refer to the FAQs at Appendix C which address common questions about the impact of the Acquisition on your Awards. If you have any further questions, please contact MUFG at [REDACTED].

8 Important notes

Nothing in this letter constitutes financial advice to any holder of shares, share awards or share options in Mitie. Neither Mitie nor OCS can give you legal, tax, investment or financial advice on the merits of the Acquisition, its effect on your Awards, or your choices.

A hard copy of this letter is available on request from the Company Secretary at [REDACTED], stating your name and the address to which the hard copy should be sent. You can also ask that any other documents, announcements and information to be sent to you in relation to the Acquisition should be sent to you in hard copy form.

In the event of any conflict between this letter, the relevant plan rules or applicable legislation, then the plan rules and the legislation (as applicable) will prevail.

Yours sincerely

On behalf of Mitie Group plc

Yours sincerely

On behalf of OCS Group International Limited

Appendix A – Vested CSP / RSP Awards

1 How does the Acquisition affect my vested Awards?

Your Vested CSP Awards and Vested RSP Awards can be exercised now, subject to any required dealing clearance.

If the Court sanctions the Scheme, that may shorten the window in which you can exercise, as described below.

- **Vested CSP Awards:** you have **six months** from the date of Scheme Court Order to exercise these. Any that you have not exercised by the end of that period will lapse (unless they lapse earlier under their terms).
- **Vested RSP Awards:** your Vested RSP Awards have all vested and can be exercised now. You have **six months** from the date of the Scheme Court Order to exercise them. Any that you have not exercised by the end of that period will lapse (unless they lapse earlier under their terms).

If you do not exercise your Awards (and they have not already lapsed under their terms), they will lapse on the applicable deadline and you will receive no value for them.

2 What are my choices for my Vested CSP / RSP Awards and how do I make them?

- **Choice A: Exercise your vested Awards and sell your Mitie Shares on the market before the Court sanctions the Scheme**

You can exercise your vested Awards now and sell the resulting Mitie Shares before the Scheme Court Order is granted. On exercise any dividend equivalents accrued up to the vesting date would be payable, and income tax and employee national insurance would arise, as normal.

The Mitie Shares are sold at the market price at the time of sale, and the cash (less any fees) is paid to you as soon as practicable afterwards. The amount you receive this way may be less than the Acquisition Price you would have received under the Scheme.

Whether or not you would be eligible to receive the FY27 Interim Dividend, if declared, will depend on whether or not you hold the Mitie Shares on the record date for that dividend in the normal way. You would not receive this if you sell the Mitie Shares before the record date.

To choose **Choice A**, go to www.mitie-shares.com and submit your online exercise instruction, by selecting **“Place your Discretionary plan exercise instruction”** on the Home page. Upon identifying the appropriate plan, select **“Exercise shares from this plan”** and proceed to select from any grants you have available, followed by **“Continue”**. Select **“Sell all shares”** and proceed to complete the remaining fields to submit your instruction.

- **Choice B: Exercise your vested Awards in the ordinary course prior to the Court sanctioning the Scheme, keep your Mitie Shares and then sell your Mitie Shares as part of the Scheme**

You can exercise your vested Awards before the Scheme Court Hearing and keep some or all of the Mitie Shares you receive. On exercise any dividend equivalents accrued up to the

vesting date would be payable, and income tax and employee national insurance would arise, as normal.

If you do, you will be a Mitie Shareholder, so any Mitie Shares you still hold at the Scheme Record Time will (if the Acquisition completes) be automatically bought by OCS under the Acquisition, and you will receive the Acquisition Price of 218.5 pence for each Mitie Share at the same time as other shareholders

If you exercise your vested Awards before the record date for the FY27 Interim Dividend, if declared, then you will also receive that dividend.

To choose Choice B, go to www.mitie-shares.com and submit your online exercise instruction, by selecting **“Place your Discretionary plan exercise instruction”** on the Home page. Upon identifying the appropriate plan, select **“Exercise shares from this plan”** and proceed to select from any grants you have available, followed by **“Continue”**. Select **“Sell sufficient shares to cover costs and keep the remainder”** or **“Self fund the costs of exercise”** and proceed to complete the remaining fields to submit your instruction.

- **Choice C: Exercise your vested Awards conditional on the Court sanctioning the Scheme**

You will be able to make an advance election to exercise your vested Awards only if the Court sanctions the Scheme at the Scheme Court Hearing. On exercise any dividend equivalents accrued up to the vesting date would be payable, and income tax and employee national insurance would arise, as normal.

The window for making your election is expected to open once Mitie Shareholders approve the Scheme and will be open for several months. In any event, you will have at least three weeks before the Scheme Court Hearing to make your choice. MUFG will write to you with the process to follow and the deadline for making your election. You will then be able to do this by accessing the portal and completing the online exercise instruction.

If you make this election and the Court sanctions the Scheme, you will be a Mitie Shareholder, so any Mitie Shares you hold at the Scheme Record Time will (if the Acquisition completes) be automatically bought by OCS under the Acquisition, and you will receive the Acquisition Price of 218.5 pence per Mitie Share through payroll, after deductions for income tax, employee national insurance contributions and any other applicable levies as soon as is reasonably practicable.

Whether you receive the FY27 Interim Dividend (if declared) will depend on the timing of the Scheme. If you exercise conditional on the Court sanctioning the Scheme, you will become a Mitie Shareholder before the Scheme Record Time, so if the Scheme Record Time is the earlier FY27 Interim Dividend record time (i.e. it falls on or before Mitie’s normal dividend timetable), you would receive the FY27 Interim Dividend (if declared) in respect of the Mitie Shares you acquire on exercise. If, however, the FY27 Interim Dividend record time falls before the Scheme Record Time, you will not receive the FY27 Interim Dividend as you would not be a Mitie Shareholder at that record time.

- **Choice D: Exercise your vested Awards at a date of your choosing during the applicable exercise period following the Scheme Court Order being granted**

If you exercise your vested Awards after the Scheme Court Hearing but within the exercise period (six months from the Scheme Court Order), the Mitie Shares you receive will be automatically transferred to OCS. On exercise any dividend equivalents accrued up to the

vesting date would be payable, and income tax and employee national insurance would arise, as normal.

You will receive the Acquisition Price of 218.5 pence for each Mitie Share you receive on exercise.

To choose Choice D you will be able to do so after the Effective Date by logging into www.mitie-shares.com and submitting your online exercise instruction, by selecting **“Place your Discretionary plan exercise instruction”** on the Home page. Upon identifying the appropriate plan, select **“Exercise shares from this plan”** and proceed to select from any grants you have available, followed by **“Continue”**. Select **“Sell all shares”** and proceed to complete the remaining fields to submit your instruction.

Whichever option you choose, remember: to exercise your vested Awards, you need to log into www.mitie-shares.com and submit an online exercise instruction before your Awards lapse.

3 What if I do nothing?

If you do nothing, your vested Awards will lapse six months after the Scheme Court Order (or earlier under the CSP Rules), and you will receive no value for them.

4 Recommendation

The Mitie Directors recommend that you exercise your Vested CSP Awards and Vested RSP Awards by selecting Choice B in order to become a Mitie Shareholder ahead of the record date for the FY27 Interim Dividend (if declared) (so that you receive the FY27 Interim Dividend in respect of the Mitie Shares you acquire on exercise), and ahead of the Acquisition.

If you choose to exercise your vested Awards prior to the Court sanctioning the Scheme (or before they lapse if earlier), you will become a Mitie Shareholder. If you are a Mitie Shareholder on the record date for the FY27 Interim Dividend (if declared), you will receive the FY27 Interim Dividend in respect of the Mitie Shares you hold at that time. If you keep the resulting Mitie Shares until the Scheme Record Time, your Mitie Shares will be automatically acquired by OCS for 218.5 pence in cash for each Mitie Share under the Scheme.

You can exercise your vested Awards now (or at any time before the Court sanctions the Scheme) by logging in to the MUFG portal at www.mitie-shares.com and submitting an online exercise request.

You should, however, consider your own personal circumstances, including your tax position, when deciding if and when to exercise your vested Awards.

The Mitie Directors, who have been so advised by Ardea Partners as to the financial terms of the proposals, consider the terms of the proposals described above to be fair and reasonable in the context of the Acquisition. In providing their advice to the Mitie Directors, Ardea Partners have taken into account the commercial assessments of the Mitie Directors. Ardea Partners are providing independent financial advice to the Mitie Directors for the purposes of Rule 15.2 of the Code.

Appendix B – Unvested CSP Awards

1 How does the Acquisition affect my Unvested CSP Awards?

If the Acquisition completes, your Unvested CSP Awards will not be treated in the usual way.

Your Unvested CSP Awards cannot be exercised at the moment. Normally you would wait until the end of your vesting period and then decide whether to exercise them and receive Mitie Shares.

If the Court sanctions the Scheme before the end of your vesting period, your Unvested CSP Awards (that is, any CSP Awards that are not already exercisable) will become exercisable in full on the date of the Scheme Court Hearing. Once exercisable, they can be exercised for a period of **six months** starting on the date of the Scheme Court Order (unless they lapse earlier under the CSP Rules).

If you do not exercise your Unvested CSP Awards (and they have not already lapsed on their terms) they will lapse six months after the date of the Scheme Court Order and you will receive no value for them.

2 What are my choices for my Unvested CSP Awards and how do I make them?

- **Choice A: Elect to exercise if and when the Court sanctions the Scheme**

You can choose in advance to exercise your Unvested CSP Awards, with that exercise only taking effect if and when the Court sanctions the Scheme at the Scheme Court Hearing.

If you exercise conditional on the Court sanctioning the Scheme, you will become a Mitie Shareholder, and so any Mitie Shares you hold at the Scheme Record Time will (assuming the Acquisition completes) be automatically bought by OCS under the Acquisition, and you will receive the Acquisition Price of 218.5 pence per Mitie Share through payroll, after deductions for income tax, employee national insurance contributions and any other applicable levies as soon as is reasonably practicable.

On exercise any dividend equivalents accrued up to the vesting date would be payable as normal. This would include the value of the FY26 Final Dividend and (if it is declared) the FY27 Interim Dividend, save that, if the Scheme Record Time is the earlier record time for the FY27 Interim Dividend, you would receive the FY27 Interim Dividend as a Mitie Shareholder (rather than as a dividend equivalent) in respect of the Mitie Shares you acquire on exercise.

If you want to choose **Choice A** you do not need to do anything now. MUFG will send you further information in due course, including the process to follow and the deadline for making your election.

The window for making your election is expected to open once Mitie Shareholders approve the Scheme and will be open for several months. In any event, you will have at least three weeks before the Scheme Court Hearing to make your choice. We'll notify you when this option is available. You will be able to make your election at any time up to the Scheme Court Hearing.

- **Choice B: Exercise your Unvested CSP Awards at a date of your choosing during the six months following the Scheme Court Order being granted**

You can choose to exercise your Unvested CSP Awards at any time during the six months starting on the date of the Scheme Court Order, unless they lapse earlier under the CSP Rules.

The Mitie Shares you receive on exercise will be automatically transferred to OCS. You will receive the Acquisition Price of 218.5 pence for each Mitie Share you receive on exercise, subject to deductions for income tax, employee national insurance contributions and any other applicable levies.

On exercise any dividend equivalents accrued up to the vesting date would be payable as normal. This would include the value of the FY26 Final Dividend and (if it is declared) the FY27 Interim Dividend, save that, if the Scheme Record Time is the earlier record time for the FY27 Interim Dividend, you will not receive dividend equivalents in respect of the FY27 Interim Dividend.

To choose Choice B you will be able to do so after the Effective Date by logging into www.mitie-shares.com and submitting your online exercise instruction, by selecting **“Place your Discretionary plan exercise instruction”** on the Home page. Upon identifying the appropriate plan, select **“Exercise shares from this plan”** and proceed to select from any grants you have available, followed by **“Continue”**. Select **“Sell all shares”** and proceed to complete the remaining fields to submit your instruction.

3 What if I do nothing?

If you do not choose one of the Choices above by the deadlines communicated to you and using the process explained to you, your Unvested CSP Awards will lapse six months after the date of the Scheme Court Order (or earlier if they lapse under the CSP Rules), and you will receive no value for them.

4 Proposal: recommendation for Unvested CSP Awards

The Mitie Directors recommend that you exercise your Unvested CSP Awards before they lapse, by selecting Choice A or Choice B. You should, however, consider your own personal circumstances, including your tax position, when deciding if and when to exercise your Unvested CSP Awards when or after they have become exercisable.

The Mitie Directors, who have been so advised by Ardea Partners as to the financial terms of the proposals, consider the terms of the proposals described above to be fair and reasonable in the context of the Acquisition. In providing their advice to the Mitie Directors, Ardea Partners have taken into account the commercial assessments of the Mitie Directors. Ardea Partners are providing independent financial advice to the Mitie Directors for the purposes of Rule 15.2 of the Code.

Appendix C – Frequently Asked Questions

These FAQs cover your CSP Awards and RSP Awards. Please read them alongside Appendix A (if you hold any vested Awards) or Appendix B (if you hold any Unvested CSP Awards).

- **What if the Acquisition is not sanctioned by the Court?**

This letter assumes that the Court will sanction the Scheme at the Scheme Court Hearing. If that does not happen (for any reason):

- (i) any vested Awards you have not yet exercised will continue as normal under the rules of the relevant plan (including as to when they lapse); and
- (ii) any unvested Awards will continue as normal under the rules of the relevant plan (including as to when they lapse) and will not vest early because of the Acquisition.

- **What if some of my Awards vest before the Scheme Court Hearing?**

All RSP Awards have already vested and can be exercised now. Some Unvested CSP Awards may also reach their normal vesting date and vest before the date of the Scheme Court Hearing. If that happens, those Awards will vest on their normal terms and will then be treated as vested Awards – so please refer to Appendix A.

Any Unvested CSP Awards that vest before the date of the Scheme Court Hearing will remain exercisable until the end of the applicable exercise period (six months from the Scheme Court Order). If you have already made an election in respect of those Awards, it will remain in force unless you replace it with a different election.

If you exercise those Awards and still hold the resulting Mitie Shares at the Scheme Record Time, those Mitie Shares will be automatically acquired by OCS under the Scheme and you will receive the Acquisition Price (218.5 pence per Mitie Share) – see section 5 of the main letter.

- **What happens if I leave the Mitie Group before the Acquisition completes?**

The normal leaver provisions in the rules of the relevant plan will apply to your Awards.

If you leave the Mitie Group before your CSP Awards vest (or are exercised), you would lose them. In limited circumstances you may be allowed to keep some or all of them. Where that is the case, in the context of the Acquisition your Unvested CSP Awards would vest either on the date the Court sanctions the Scheme at the Scheme Court Hearing, or on an earlier date as decided by the Remuneration Committee. Your Vested CSP Awards, Vested RSP Awards may also be exercisable for a shorter period than described in Appendix A.

For Unvested CSP Awards specifically: if you leave the Mitie Group before the date of the Scheme Court Hearing, your Unvested CSP Awards may lapse before that date. If that happens, any Choice A or Choice B election you had already made under Appendix B will not take effect.

Special rules apply on death.

- **What if I am a PDMR or otherwise subject to the Mitie Share Dealing Code?**

If you are a Person Discharging Managerial Responsibilities (a “PDMR”) or otherwise named on a MAR regulatory project insider list and/or a non-regulatory project list, or if Mitie’s Rules on Share Dealing apply to you, you must obtain permission before applying to exercise your Awards. Requests for permission should be made via [Insider Hub](#), and further

detail will be provided to you in due course. Anyone to whom the above applies (whether a PDMR or otherwise on the insider list) will not be permitted to apply to exercise their Awards during a closed period.

- **How will my Awards be taxed?**

When you exercise your Awards and acquire Mitie Shares, those Mitie Shares will be subject to income tax and employee national insurance contributions (NICs) in the normal way. Those amounts will either be funded by selling enough of your Mitie Shares on your behalf, or deducted and withheld from the Acquisition Price proceeds you would otherwise receive.

If all of your Mitie Shares are sold immediately after exercise, there is not normally any increase in value between vesting and sale, so Capital Gains Tax would not usually apply.

Important: this summary is based on our current understanding of the Acquisition and current UK tax rules, both of which may change. Your final tax position will depend on your personal circumstances. As explained on the front page of this letter, neither Mitie nor OCS can give you tax, legal, investment or financial advice - if you are in any doubt, please speak to an appropriately qualified adviser.
